

## HOW TO SEE YOUR FINAL GRADES

To see your final grades, click on **Xxxx's grades** in the menu bar.

The screenshot shows the 'Portail étudiant - Université Sainte-Anne' interface. The top navigation bar includes 'Home', 'Cynthia A.'s classes', 'Cynthia A.'s grades', 'Registration', and 'My settings'. A 'Logout' button is visible on the right. The main content area is titled 'Averages' and contains the message 'No information available to display for the selected parameters.' On the left, there is a 'Show' sidebar with filters: 'Academic year:' (set to 2011-2012), 'Session:' (set to HIVER), and 'Marking column:' (set to HIVER). Red arrows point from the text above to the 'Cynthia A.'s grades' menu item and the 'Session:' dropdown menu.

Modify **Academic Year** and **Session** to suit your needs. There is an *Academic year* for University (e.g. **2013-2014**), for Immersion (e.g. **2013-2014 IMMERSION**) and for College (e.g. **2013-2014 COLLÉGIALE**). Choose the appropriate options in order to display your courses for the period in question.
